Contour Infrared Lamps

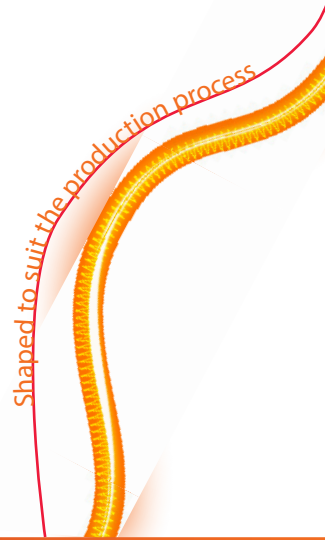

Contour Infrared Lamps

For infrared heating in production processes that require a specific shape, Victory can produce contoured infrared lamps to any shape.

Victory contour lamps are available in a variety of finishes and can be customised to your requirements. Contact us to discuss your bespoke specification.

Victory Contour IR heaters can be shaped to match the requirements of the production process so heat is targeted exactly where it is needed.

- Joining and welding plastic parts
- Forming or bending plastic tubes
- Drawing glass or plastic fibres
- Heat shrinking
- Soldering
- Adhesive curing
- Solder preforms
- Butt welding
