Fast Response NDA Lamps

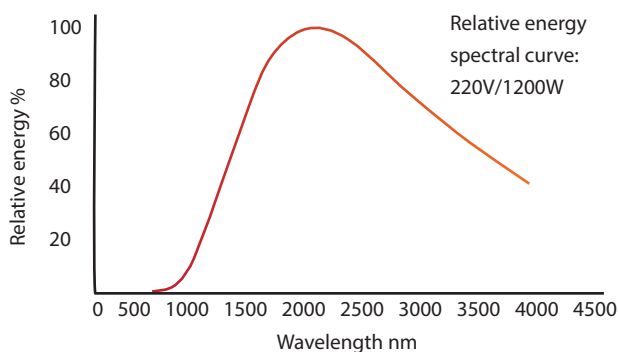

Fast Response NDA Lamps

For improved performance on drying, replace existing short wave lamps with Victory's fast response medium wave NDA lamps. They are a direct replacement for ordinary lamps but offer greatly improved performance.

A revolutionary tungsten coiling technique allows more energy to be distributed in the medium wave range, with Watt densities up to 55W/cm, with instant switch on.

Product Features

- Instant on / off
- Vertical burning versions available
- Higher medium wave output than conventional lamps
- Same dimensions as short wave lamps for easy replacement

Applications

- Drying water based inks / offset litho
- Wood treatment / wallpaper
- Shrink wrap / blow moulding
- Thermoforming
- Screen printing on textiles
